Hold the fried bread... how's this for a trucker's breakfast? Joanne (25) loves the knights of the motorway so we took her to meet some one cold morning. "I love truckers – they're so dirty! I'll give them all a sloppy blowjob, one after the other!"

## Caravan of lust

**M**y wife and I had a great experience last year. We have a caravan based slap bang near a nudist beach.

One day we found ourselves getting a little carried away. First you have to know that my wife's 32G tits are huge and her shaved silky pussy was on display for all to see.

I was next to her, rubbing

**Vikki, Bucks**

sun cream on to her boobs and slowly working my way down to her lovely slit beneath.

My hand slid down into her crack and I found it to be wet and sticky. My wife pushed up against my hand, teasing me to play with her.

I began rubbing her clit and she opened her legs wider for me to get three fingers inside

Then my hubby slammed his pud-covered cock into my dripping gash. Eventually he left me in a spunk and

To us two girls it would be just the beginning.

He would soon get his cock rigid again. While one girl takes charge of the camcord-

food covered mess, my pussy throbbing from a severely sexy pounding.

Our favourite fantasy is for us to contact a horny female reader. The old man is always on about seeing

me fucking another sexy woman and how he'd fuck us both until we were squirting cum everywhere. He says he'd leave us both in a quivering heap.

I'd like to see him try - I bet he wouldn't last more than two minutes before blowing his muck everywhere.

But if he thinks he'll just crash out like normal he's got another think coming.

er the other would fuck him so we can relive the fantasy again and again.

## Food fucked

I love having food fun with my husband.

One night after watching a filthy food fight film starring three horny girls we started to cover each other with stuff from the kitchen.

We used rice pudding and porridge. It felt so sexy having warm lumpy porridge poured over me, the feeling of warm sloppy pudding running over my 34D tits and trickling down between them.

Then running over my navel and into my open knickers and gathering in the gusset.

her bald cunt.

Then I noticed we were being watched by an old man with his cock in his hand. When I told my wife she opened her legs even wider so the old man could get a real eyeful.

I kept my wife informed on what the old man was doing and when I told him he was wanking she let out a groan and spurted her cum all over my hand.

I got my cock in my hand and started to wank. Vikki grabbed my cock and put it in her mouth, looking straight at the old bloke.

I couldn't stop myself and spunked all over her face. The old man let out a groan and jizzed all over the sand.

When we had cleaned up I asked the old man if he was local and if he would like a private show in our caravan.

That night my wife dressed in her favourite pink underwear and red PVC dress. The old man joined us and Vikki began to strip for us both, first showing her bra, then her knickers.

We had agreed that neither of us would touch her, just watch and wank.

My wife sank to her knees and took my cock in her mouth, sucking, licking and playing with my balls at the same time.

At the same time she stuck her vibrator deep inside her soaking pussy, cumming all over it at intervals.

She then told us both to stand up and wank while she lay back and fucked herself properly.

She must have orgasmed six times, cum running all down her legs and buttocks.

She then told me to fuck her and let the old man rub her tits while he wanked.

Seeing this while my dick was buried inside her nearly sent me over the edge again but then she told me she wanted to suck my cock.

I knelt in front of her face

and fed her my prick. The old man stood between my wife's open legs, looking at her soaking wet pussy and wanking, hard as ever.

I then pulled out and came all over her face as I saw our watcher groaning and sinking into a chair with his cum dripping from his fingers.

Caravan season starts now and we can't wait to be back down there. We're always on the lookout for dirty old men who want to watch my wife get fucked.

*S., Bucks.*

MANCHESTER 36D

Britain's biggest tits are in Liverpool, according to a survey. Footy fans will have known this for a time, but it's true that 46 per cent of Scouse women have a D-cup or bigger. The average British pair of puds weigh in at 36D, and melon watchers like me can tell you that girls' boobs are definitely getting bigger. Here are Sue from Liverpool, Sandy from Scotland and Sophie from Manchester to illustrate the size of the top-cunts me and the boys are wanking over at the mo!

# REAL WIFE SEX

**There's late night swapping at these three cleaners' shopping centre...**

*Danni, Holly & Brenda, Edgware*

I have been working as a cleaner in a big out of town shopping centre for a few months now. You know the sort I mean – all you could want under one roof, full of families stocking up for Christmas, young lasses caning their credit cards like the recession never happened and snotty kids hanging around in big groups not buying anything.

I clock on either when the last of the shops close at ten or I can do the morning shift from four and me and my team have the run of the whole place. I don't know if you've ever seen that zombie film Dawn of the Dead, but it can be a bit eerie when it's totally

empty of people and it took me a while to get used to it. The chills I get when I go into work now are nothing to do with horror – they're thrills of pure sexiness!

Holly is my favourite workmate, and that's not simply because we're best friends. Recently we have become lovers as well. It's strange just how much pleasure you can have when you spend the day working side by side with someone who just utterly delights you. I only have to glance at her curve of her breasts

of fun during work hours and if we disappear together everyone jokes but no one really imagines what's really happening.

Of course if they really knew some of the naughty things we actually get up to they would be absolutely shocked. For instance, just last week, we were on the early shift and arrived at the shopping centre about twenty minutes before we were scheduled to go on duty. As usual we went to the ladies to put our hair up.

It was 4.30am and the place was all

## MY 3 GIRLS ORGY!

inside her tight blouse to get wet, and the way her skirt clings to her curvaceous bum-cheeks and the spectacle of her shapely legs make me long to touch her in the most intimate ways.

Of course we keep our lesbian love a secret from the others, and while they sometimes tease us, especially Holly's mate Brenda about being so close (I think she's jealous!), no-one seriously believes that there is anything really going on. That works in our favour because we often like to have a little bit

but deserted, except for some security men and the cleaning staff.

Just inside the lavatory we found one of those yellow plastic signs with "Closed for Cleaning" and Holly put it outside the door so we wouldn't be disturbed. When she slipped back inside, I manoeuvred her against the wall, and began to kiss her tenderly on her glossy lips. Her heaving breasts pushed against mine and my pussy started to ache for her.

Breaking for a moment, we smiled at one another and I gestured to Holly to raise her skirt and allow me access to her pussy. She hitched it up and spread her legs wide. In a shot I was on my knees sucking her sweet pussy through her panties and tights. I could smell her excitement as I sucked her wetness through the micro-mesh of her tights and her G-string panties.

Glancing up at her, I noticed she was playing with her nipples. Holly is such a naughty minx and I love seeing her raw sexuality, so that really got me going. Standing up I began to rub at her pussy really hard with my fingers, creating friction against her clit through her panties and tights. She began gasping and

**RL**

half-sobbing with excitement, then held my hand still while she eased her tights down her legs, being careful not to ladder them.

Pulling her gusset aside, I pushed a finger inside her with ease. Holly's pussy was so lubricated with her sexual juices that I was able to add another finger almost at once, and I began to frig her in earnest. She was literally dripping with desire and I felt her cunt muscles gripping hard around my fingers as I deftly finger-fucked her towards her first orgasm.

Her body shuddered as I finger-banged

**She was dripping  
with desire**

her, and as she came on my hand I felt a trickle of her fluids flow from between her pussy lips.

I waited until Holly stopped shuddering and her body relaxed before feeding her own fingers into her mouth so that she could taste herself. She liked that, closing her eyes for a moment as she tasted her own sweetness, then she opened them and smiled as she watched me scoop out more of her juices and taste them myself.

Meantime, my other hand was working to open her blouse. I moved my palm across her white lace bra and cupped her breast, squeezing gently. Then I dropped to my knees, gently running my hands across the soft white fleshy insides of her thighs. Her pussy was covered in a triangle of neatly trimmed but curly hair and her seductive slit was glazed with the residue of her female fluids.

Holding on to her thighs for balance

## I sucked on her spunk-splattered clit and she came

On the last night my partner took our daughter to bed and they invited me back to their room as they had some alcohol to finish off before flying back.

I didn't think anything of it – they seemed a close couple and had shown no sexual interest in me.

But after a few drinks, Alex asked if I thought Emma was looking gorgeous tonight. I agreed and said she always did. Alex grinned and said, "I

her pussy tingle. Then she leaned forward and kissed me and said she wanted to see if that made her pussy tingle.

Then she pulled me closer and I began roaming my hands all over her body. We pulled each other's tops off and I saw out of the corner of my eye Alex wanking.

This got me more turned on and I started nibbling at a moaning Emma's buds.

"You dirty bitch," she panted.

**CONTACT ME**

"You've seen nothing yet," I replied. I ran my fingers up her throbbing crack and pushed them up her wet tunnel.

She gave an almighty moan so I sped up till she came stickily all over my fingers.

Alex came over and wanked his load on to his missus's pussy and I was straight

down there to clean up the mess. As I sucked on her spunk-splattered clit she came hard.

I lapped up her juices and then gave her a taste of two loads of cum by kissing her. Then Emma sucked Alex's cock, getting him back to a raging hard-on, as she wriggled beneath my tongue.

Emma told Alex she was so horny she wanted to see him fuck me. We all agreed so I got on all fours and Alex rammed it up me.

He fucked me hard and fast, the way I like it, while Emma flicked herself off watching us. Alex was nearly there so he told me to sit next to Emma. Then he sprayed his jism all over both our pussies.

Emma licked his cum off my pussy – it was her first taste of cunt. She didn't want to share it and swallowed all my gushes of cunt cream.

Alex sat there in amazement as he saw this dirty new side of his girlfriend unfold. They thanked me for helping them open a new chapter in their sex lives.

They are coming to my area soon so I hope to have another story to tell you.

Emma will take some pics with me but if she's shy are there any horny female readers out there who'd like to?

We're looking forward to seeing Katie K at our Britain's Got Totty party. She was so keen to come, she had her bags packed for the 8th of April instead of June. We had to tell her to calm down and wait, but frankly that's like asking water to run uphill. So to keep her sex batteries charged we did this cute little set in a Lancs hotel room. There was banging on the walls as she came using her dildo. "I wish they were banging me in here instead!" she guffawed.

## Bell-end boy

**O**n a recent city break with my hubby Rob we visited a lingerie shop and bought loads of naughty outfits.

Eager to try on the sexy new underwear, we headed back to the hotel.

new things.

I went back to my room and changed into a black peep-hole bra, crotchless knickers, black nylon hold-ups and a pair of killer high heels. My pussy was swollen with anticipation.

said Dave.

"If you want to make her cum, fuck her from behind," replied Rob.

I got on all fours, arched my back and thrust my arse in the air. Dave firmly slid his length up my sopping pussy till I felt his balls slap against my arse.

As he built up a rhythm I moaned with pleasure. His hands were all over me, groping my tits and rubbing my arse.

Rob came to the front and stuck his big cock in my mouth. I could feel my climax building and knew

I was about to cum. A few more deep thrusts and my body shook as I orgasmed all over Dave's cock.

Dave was nearly there too. I told him to cum on my tits so he pulled out, rolled me on to my back and shot his load all over my chest.

I knew Rob would have loved that! He straddled me and unloaded what seemed like gallons of warm spunk all over my boobs.

I was drenched in two sackloads of cum and had been well and truly fucked.

Dave had to go back to work. Rob fucked me again in front of the bathroom mirror.

Good service!

## I was drenched in two sackloads of hot spunk

The door opened and I posed for the two fellas. Dave's jaw practically hit the ground and Rob smiled, knowing how turned on I was.

I beckoned them over. They fondled my tits and sucked my nipples. Dave rubbed my slit then began to finger fuck my soaking hole.

Rob was massaging my arse cheeks and rubbing my arsehole. I was in heaven but needed cock desperately.

I rubbed their hard-ons, straining to get out of their trousers. I went down on my knees and released them. I knew Rob had a big cock and was glad to see that Dave's was equally long and thick.

I licked his entire length and proceeded to give him a blowjob he would never forget while I wanked off Rob with my other hand.

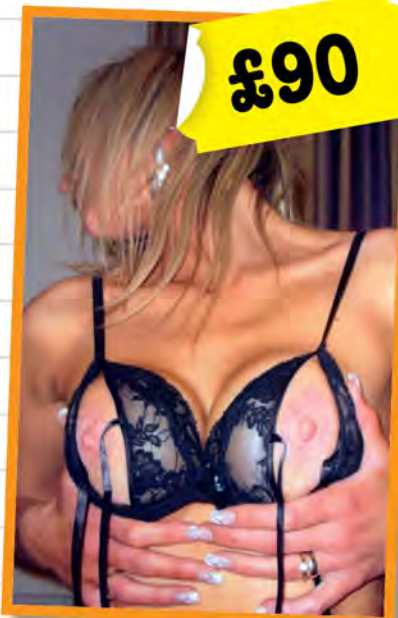

"Fuck, your wife's horny,"

Dave, the guy at reception, commented on how many bags of shopping I had. With a cheeky grin, Rob said he should come up and check out my new lingerie.

Dave said he was due a break in ten minutes and there was nothing he would like to do more. Rob said he'd wait with him and told me to go upstairs and try on my

Ding ding, round one. We're always being told never to hit a woman. Chance would be a fine thing. When we're not getting whacked for coming home late, kicked in the balls for coming home having looked at other women and spanked unconscious for coming home drunk, the Escort staff rarely get a chance to spar with a lassie. "I recently got fucked hard on a cross-channel ferry while my husband filmed it!"

Donna was green fingered by Phil from Essex after she got her buds out in vol 29 no 9...

## Dear Escort,

A big thanks to Escort and all the guys who replied through the Contact section.

We had never done anything like this before so we arranged to meet in a hotel bar. I sat at the bar with a glass of wine, dressed up in a black dress, stockings and suspenders and crotchless knickers. My husband was watching me from a table in the corner.

We had arranged to meet Phil from Essex at 7.30 but by 8 there was no sign. At 8.15 a tall dark-haired man walked in and got himself a beer. I looked at my husband who raised his eyebrows.

Then the man came over to me. "Please tell me you're Donna," he said.

"It's your lucky day," I replied casually, but my heart was beating so fast! I don't know how I had the nerve but I asked him to sit down with me, my husband watching us all the time.

We flirted terribly because we both knew what we were there for. All the time he made comments about my

low-cut dress and sexy legs. I kept crossing and uncrossing my legs to give him a good view of my stockings.

A few glasses of wine later he was stroking my legs and I didn't care – I was so horny.

He slid his hand up to my pussy and smiled when he realised my knickers had no crotch in them.

I suggested we go up to our room. I noticed the bulge in his trousers as we walked up.

Once in the room we wasted no time. He pushed me on to the bed, pulled my tits out of my low dress and started devouring them, groping, licking and

Then I enveloped it with my mouth and wanked his shaft. He seemed to be loving it.

Next thing his jeans and pants were off, he turned me round and pushed his cock deep inside my soaking wet pussy.

Doggy is my favourite position and I was so horny as he drove into me.

Five minutes later the door opened and my husband walked in. What a view he must have got – his wife on all fours being shagged by a stranger.

He walked over to me, pulled out his cock and pushed it into my mouth.

I sucked it and massaged his balls as

sucking them while he pressed his hard cock into me.

I was so turned on as his hands moved up my legs to my soaking pussy. He pushed his fingers up the slit of my crotchless knickers and fingered me frantically.

Then I pushed him up, undid his zip and pulled out this stranger's rock hard cock.

The end was dripping with pre-cum so I rubbed and wanked it as frantically as he had done with me.

Phil fucked me and pulled on my tits. My husband's timing was great!

With a groan my hubby came all over my lips. At the same time Phil shuddered and cried out as he shot all over my pussy and arse. My whole body was on fire as I came and screamed with delight.

After we had finished we all had a good laugh and went back down to the bar for a drink. What a great night!

# REAL WIFE SEX

*Danni's story continued from page 19*

I ran my tongue along her swollen pink labia, tasting her as I inhaled the tangy scent of my lovely mate. My mind reeled with pleasure as I pushed my tongue deep inside Holly's wet, willing cunt. Dipping it in and out of her pussy, I lapped up the taste as my own vagina throbbled and quivered for attention.

Hiking up my own skirt, I pushed one of my hands down inside my panties, reaching for my clitoris as I circled it with my finger, simultaneously mimicking the same motion with my tongue on Holly's love-button. She gasped and pressed her pussy against my face as I felt a

## We feasted on her like lions

surge of pleasure building up inside her. I slowed my fingers as I lapped at her clit, sensing she was getting very near to the brink.

Finally she grabbed my head and pulled my face even harder against me. I quickened the movement on my own clit, letting myself come as Holly moaned and shuddered through her second powerful climax.

Turning my head back to her pussy, I grazed my teeth against her swollen pussy lips and gave her a gentle love bite before standing up. We kissed, touching and caressing one another

before straightening up our cleaning coats. I looked up and with a shriek I saw that Holly's mate Brenda had been watching us from the doorway.

Her coat was open and her hand was down the front of her jeans. "I always wondered what you two were getting up to," she said, smiling. She put her mop through the handle of the door so we were sealed in.

"Now how about you let me join in?" she smiled wickedly.

Holly and I burst out laughing as the shock of being discovered turned into relief we weren't getting doxxed in, to sexual excitement at the thought of getting our hands on some fresh white flesh.

Brenda had large pendulous breasts that we could see peeking through her sweater and quick as a flash Holly jumped up and disrobed her. She practically leapt on her and brought her down to the floor with me like a lion bringing down an antelope. We feasted on her like lions too, licking and sucking her tender breasts, pulling off her knickers as she squealed and burying our faces in the exposed flesh of her pink pussy.

She was well up for it. She grabbed the back of my head and smeared her cunt all over my face. I lapped up the juices hungrily and pushed my tongue right up her love tunnel.

Holly sat on Brenda's face and fucked her tongue, clutching her breasts as she came again and again.

We weren't having gentle sexy lesbian fun any more - we were really going for it.

I pulled the mop out from the door handle and used it to prod Brenda's pussy as Holly rode her face.

I was a bit rough but her pussy was wet and slack and the shaft of the mop went up her easily. Then I fucked her till my arms were sore and Brenda was yelping (in between mouthfuls of Holly's cunt) and cumming hard.

Then it was my turn. I had my back up against the wall, my legs spread, and Brenda's bum and cunt splayed in my face. Meanwhile Holly took charge of the mop and mashed it in and out of my spasming cunt.

I gripped the mop to guide it into my most sensitive and orgasmic areas and soon I was wailing away as well with a hot shaky climax.

We had made so much noise that we quickly tidied up and got back to work. It was hard to concentrate!

"Oooh no, it's just got me in the mood for my drinks tonight," confessed the Rochdale slapper. "The shoot got me really turned on and I'm going to leave my cunt nice and wet for going out tonight. I've always fantasised about having two cocks up my pussy at the same time but my mate told me that was impossible, so I'll settle for one in my fanny and one up my bum!"**

## Deep screw

Jane seemed less than pleased when I phoned her from the snooker club to tell her we had a lock-in and because I had been drinking I would stop at Mark's house.

Fifteen minutes the steward walked in with Jane looking gorgeous in a fur coat, all blonde hair, bare legs and high heels.

"Don't worry, finish your game and then I'll give you a lift home," she purred.

The other three lads suddenly began mis-cueing as Jane sat down and opened her coat. When I stood over a shot I glanced over and saw Jane opening her legs to reveal her bare pussy.

Jane was obviously in one of her horny moods and the

**Jane,  
Lancs**

atmosphere around the table was electric. Before my next shot I asked her if she wanted a go.

She took Big Phil's cue and bent slowly over the table, giving us all a great view. "Is

this okay, boys?" she asked.

"No, hold on, open your legs a bit," I said, and tapped her thighs apart with the butt of my cue, lifted up her skirt and rubbed the butt on her clit.

£90

Jane squirmed willingly. "Come and show me how to use it Mark," she said. Soon she was

gyrating her arse back against an obviously aroused Mark.

"Go on Mark, show her your deep screw," I encouraged him.

"Fuck me now, big boy," Jane growled at him, grab-

bing his bulge. Mark needed no second invitation and began fucking her over the table.

Jane told him to cum on her not in her and seconds later he decorated her back with spunk.

"Next please," said Jane and I nodded at Whitey who sneaked a crafty lick of her pussy before showing that pinks like it hard.

He also finished off spraying jism all over Jane's arse.

"Come on Big Phil, I need to follow through," said

## Virgin girth

My husband Tony loves to watch me getting fucked and suggested I get jiggy with a younger man.

I was more than willing so Tony took some of my sexy pics to work to show a 19-year-old lad called Darren.

Darren was very impressed so Tony asked him to come for a drink with us on Saturday night.

We met in a lively pub in

town. I was wearing a short red mini skirt, black stockings, high heels and a tight white blouse showing off my huge tits.

I sat between Darren and Tony and crossed my legs so my stocking tops were on show.

Tony went to the bar, telling Darren he could stroke my legs. He did it nervously but I could tell by the bulge in his jeans that his virgin cock was big and hard.

We moved to a quiet table in the corner of the pub and after a few more drinks, Darren lost his shyness and, urged on by Tony, put his hand between my legs. With a thrill, he realised that I had no knickers on.

I stroked his cock through his jeans and it was rock solid. I gave him a kiss and told him to come back to our house.

On the way home Darren kissed me full on the lips and pressed his hard dick into my belly.

Once home Tony poured more drinks and put on a porn DVD of a young lad fucking an

older woman.

I asked Darren sweetly if he would like to do that to me. With that he unbuttoned my blouse and started to play with my tits and suck my nipples.

Tony sat and watched as I undid Darren's jeans to reveal a massive young cock leaking pre-cum. I sucked the tip of his cock and he shook with nerves as I wanked his cock into my mouth.

I felt like a proper dirty bitch as I stripped down to my stockings and heels and Tony and Darren went to town on my body.

## He was a virgin but he fucked me good

Darren was clumsy at first so I told him what to do. I lay on the floor and got him to lick my clit. He may have been a virgin but he knew how to make my cunt tingle.

Tony sat and wanked as Darren and I put on a show for him. I knelt in front of

Darren and sucked and wanked his cock till he gasped that he was cumming.

He sprayed jet after jet of hot sticky young spunk all over my face and tits. He rubbed it into my boobs which made my nipples stick out like fuck.

Jane as the big lad released his massive member. Jane gasped as he slowly eased his full length up her.

The noise she made could

gleaming with spunk.

She wasn't quite finished though – she unzipped my flies and blew my knob (and mind!).

## My wife gasped as he eased it up her

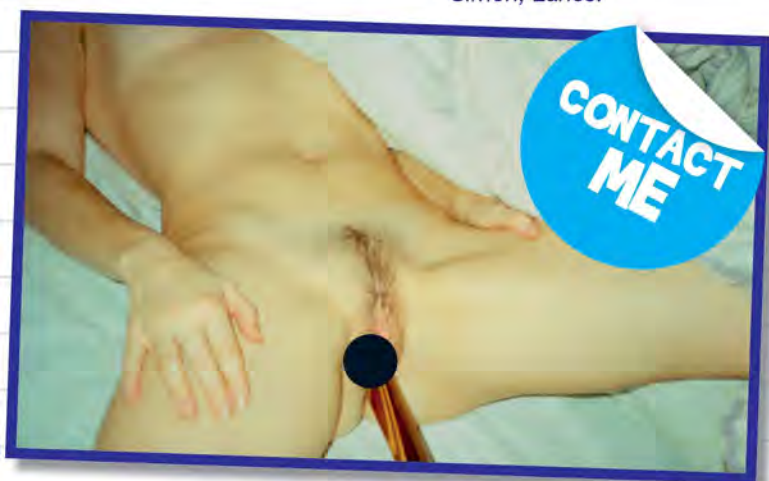

have woken the dead. She shuddered to a climax but, barely pausing, she told Phil to fuck her in the arse.

He fucked her arse hard till both holes were left pink and

"Thanks for the game boys. Come on Simon, time for home," said Jane, licking her lips and putting her fur back on.

Frame over!

*Simon, Lancs.*

I scooped the spunk off my face and swallowed it. Darren then watched as Tony bent me over on all fours and fucked me from behind with long hard strokes till we both came.

Tony's spunk and my cunt juices were splashing everywhere.

I grabbed Darren's cock and wanked and sucked it back to life, then I straddled him while he rubbed my tits. Tony wanked while I bounced up and down on Darren's cock.

Tony began to lick my arsehole to make sure it was nice and wet so he could ease his cock up my tight hole.

When he did I screamed with the pleasure of having both holes fucked.

Darren asked if he could fuck my arse so Tony pulled out and stuck his prick in my mouth.

Darren fucked

my arse till I felt a massive orgasm brewing inside me.

I yelled at them to cum on my face. Tony came first all over my cheeks, thick blobs of creamy spunk dripping off my chin. Darren wanked his spunk right into my mouth.

I lay on the floor covered with jism. What a fucking great night!

*Sarah, Manchester.*

## Cyprus thrill

Jim and I were on holiday in Cyprus when we met up with a couple (Dave and Chloe) who recognised me from the pages of *Escort*!

They weren't shy so we arranged to meet up in their hotel room.

Dave ran his hands over my naked arse as Jim tweaked my nipples. Chloe announced that she wanted to eat my cunt and knelt in front of me, pushing her face into my pussy.

I parted my legs and let her tongue explore my pussy lips and clit as Dave continued to play with my arse.

I reached behind me and got a good grip on Dave's hard cock.

As Chloe kept licking I lifted my left leg which gave her more room to tongue-fuck my pussy. I bent over so that she could rim my arse.

me good and proper he was going to fuck my arse.

Jim squatted over Chloe so that she could suck his balls as I licked her cunt. My tongue soon had her cumming and she stopped sucking Jim's balls to let out a loud scream as she came.

## I scooped up her creamy white juice

I unzipped her hubby's trousers and slowly took his hardness into

**Kelly Windsor**

and could see them leaking from her sweet cunt, and as she went back to sucking

my man's balls and cock I pushed my fingers inside her and scooped up her tasty creamy white juices.

Dave was gradually getting faster and faster fucking me from behind and I could tell he wasn't far off cumming.

As he let out a low groan he shot his hot cream up my wet and swollen pussy and then stood there with his cock slowly going soft inside me as I continued to tongue his wife. She was ready to be splattered

my mouth.

Then I lowered my face between Chloe's legs, feeling the very smooth skin of her cunt lips against my tongue as I started to tease her clit.

As I started to lick her, I pushed my arse out so Dave could lick my ringpiece.

Then I felt his hardness slide right up inside my cunt. He grabbed my hips and slowly started to give me the good fucking I wanted, saying that once he had fucked

with Jim's spunk.

It was a really horny sight to see my hubby tense as he started to cum. Chloe clamped her mouth around his cock and swallowed every drop of his spurting juice.

As Dave's limp cock finally slipped out of my soggy cunt, Chloe sucked her hubby's juices from my cunt.

I came back well and truly fucked and am already planning our next holiday.

*Kelly, Windsor.*
